Multimap.com is the European leader in online mapping services.

We hope that you find Multimap's mapping services helpful and easy to use. Please note, however, that the maps should be used as a guide only. In particular, the red circle may indicate the centre of the area covered by the postcode selected, rather than the precise location of an address. Multimap.com and its suppliers assume no responsibility for any loss or delay resulting from use of our services. If you do find an error or omission, please let us know; we try to provide the best service possible. Please also note that Multimap grants you permission to make up to 10 copies of our maps for personal use only; if you require more copies, please write to info@multimap.com with your request.
